A: BLOOM365 Advocate

Q: Sometimes it's hard being the only stable person in my house. But I wasn't born this way, I've been through the ringer and they were there for me. So now it's my turn to be there for them.

A: It sounds like those in your household really support each other in meaningful ways and we are so happy to hear that you all have each other. Having a strong support system can be invaluable in moving through tough times. We encourage you to find times to care for yourself when you can as your mental and emotional health is important too!
